Dear Mr. Silva,

We have reviewed the fluid properties, bench test results and the 35VQ25 pump test results, branded under Petronas Hydraulic brand name; ISO VG32 antiwear hydraulic fluid.

It is our opinion that Petronas Hydraulic ISO VG32 meets the requirements of Eaton EFDGN-TB002-E specification for hydraulic fluids recommended for Eaton products and brochure 03-401-2010 Rev 1.

Sincerely
